Westfield Economic and Community Development Dept.

Westfield-Washington Township Plan Commission

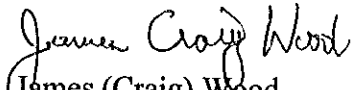

2728E. 171st St

Westfield, IN 46074

Dear Members;

I, James (Craig) Wood, an adjacent landowner to D & W Farms, LLC am sending a letter of approval and endorsement for their proposed rezoning of land to the Grand Park Village (PUD). This project will enhance my property which encompasses approximately one-half of the Grand Park Sports Complex. It will also be of benefit to the city of Westfield and its citizens by what is the proposed development within the PUD. D & W Farms, LLC and I both share the criteria that when our respective properties were developed that said development should and would be one of quality and an enhancement to the area. These projects represent a fitting legacy for our families to this community and which we can feel very comfortable about leaving for future generations.

Respectfully submitted,

James (Craig) Wood

Cc: Mr. Donald Day, President
D & W Farms, LLC
